MEMORANDUM FOR: Director, DCI/DDCI Executive Staff
FROM: Director of Central Intelligence
SUBJECT: Terrorism SNIE

I told General Tighe how we were proceeding with the terrorism estimate. His staff is working on some material now on the last two questions in the tasking. He assured me that they would send it over here soon so that it can be put together by the time I get back. He is satisfied with the way we decided to proceed on the whole matter. (C)
